Help is here for 3rd grade Science

GoToLearn announced the release of 3rd grade science. As will all of our products, it is mapped to the individual TEKS, and available in our exclusive dual-language format.

That's great news for your 3rd graders. Now they can get extra help in science too.

Language is an Art

While driving through the neighborhood with a 16 year old exchange student from Germany he inquired "Why do so many people sell their garages - and isn't it hard to do when they are attached to the house?"

Quote

An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you do know and what you don't.
Anatole France - French novelist (1844 - 1924)

Teaching Tip

To reawaken students' motivation and involvement, vary your teaching methods.

In corporate different teaching activities and methods including: guest speakers, role playing, brain-storming, demonstrations, and debates.

Grin

The 1st grade science teacher posed the following question.

Q. What are the four seasons?

From the back of the room came the answer . . .

A. Salt, pepper, mustard, vinegar
